

Soltherm Europe Campaign Guidelines

Category:	Flanking Measures - Local Initiatives and Campaigns
Tool-ID:	4.1.2
Type:	Guideline
Date:	February 2003
Developer:	Ecofys bv (Editor)
Language(s):	English
Size:	84 pp
Description:	<p>In these Campaign Guidelines, the experience from a number of important market stimulation initiatives throughout Europe has been brought together and translated into recommendations, lessons and campaign examples. In this way, new market stimulation campaigns and actions are able to make better use of the experience that has been made in the past decade.</p> <p>On its central website www.soltherm.org, Soltherm Europe is also making available several other resources and tools for market actors in the solar thermal branch.</p>
