

## STO Training for the staff of local authorities

Category:	Ordinance Components - Else
Tool-ID:	3.6.1
Type:	Recommendations
Date:	January 2009
Developer:	Reseda scsi onlus
Language(s):	Englisch
Size:	3 pp
Description:	When implementing a STO (Solar Thermal Ordinance) it is important that the staff of the involved local authorities is well trained on solar technology and the STO particularities. This document presents a course concept which was successfully applied for training the staff of the departments of the Province of Rome. The document gives recommendations for replication.
